

ISAR Training on Fertility Enhancing Surgeries 1st Batch Chennai Centre August 12 & 13

The first batch of training was successful. **Totally 16 participants registered** for the course. But 15 turned up on

Day 1

The other candidate who came on day 2 was asked to join the next course .We started the course with welcome address by **Dr Parul Kotdawala**, who highlighted the objective of the course in the era of IVF. The **basic of laparoscopic surgery** was dealt with **Dr Mala Raj** & the **basic of hysteroscopic surgery** was handled by **Dr Parul Kotdawala** .This was followed by the **Inauguration of the course by lighting of the lamp by Dr Parul Kotdawala, Dr Mala Raj & Dr Priya Prakasam from Trichy**. The **Chairperson for the course was Dr P. M. Gopinath**, who agreed to come. But unfortunately due to some last minute emergency he could not attend. The participants were engaged in Hystero-simulator provided by Pee Bee surgical. They were explained the instrumentation and basics of Office hysteroscopy. Post lunch there were series of didactic lectures. We realized that they were keener on the surgical videos and showed them more of them. With this we came to the end of Day 1 training.

Day 2

All the 15 participants were given opportunity to operate and get hands on exposure on Pigs in 2 batches. They were happy to perform the surgeries and were getting accustomed to hand eye coordination. The basics of intra-corporeal suturing also were taught to them by **Dr Parul & Dr Mala**. Post lunch they had their training on pelvi-trainer and wanted to know about port dynamics which was explained to them by Dr. Mala. Certificates were distributed to all the participants. With this we came to the end of the training session and the participants went home happy.
