The Third Batch of Training was successful. Totally 11 participants registered for the course.

## ***Day 1***

We started the course with welcome address by Dr Manjula Anagani, who highlighted the objective of the course in the era of IVF. The basic of laparoscopic surgery was dealt with Dr Vanitha & the basic of hysteroscopic surgery was handled by Dr Manjula Anagani .This was followed by the Inauguration of the course by lighting of the lamp by Dr Manjula Anagani & Dr. Vanitha The participants were engaged in Hystero-simulator provided by Karl Storz. They were explained the instrumentation and basics of Office hysteroscopy. Post lunch there were series of didactic lectures. With this we came to the end of Day 1 training.

## ***Day 2***

All the 11 participants were given opportunity to operate and get hands on exposure on Pigs in 2 batches. They were happy to perform the surgeries and were getting accustomed to hand eye coordination. The basics of intra-corporeal suturing also were taught to them by Dr Manjula & Dr MalaVanitha. Post lunch they had their training on pelvi-trainer and wanted to know about port dynamics which was explained to them by Dr. Mala. Certificates were distributed to all the participants. With this we came to the end of the training session and the participants went home happy.
