The Fourth Batch of Training was successful. Totally 10 participants registered for the course.

Day 1

We started the course with welcome address by Dr Mala Raj, who highlighted the objective of the course in the era of IVF. The basic of laparoscopic surgery was dealt with Dr Vidhya Bhat & the basic of hysteroscopic surgery was handled by Dr Mala Raj. This was followed by the Inauguration of the course by lighting of the lamp by Dr Mala Raj & Dr Vidhya Bhat. The participants were engaged in Hystero-simulator provided by Karl Storz. They were explained the instrumentation and basics of Office hysteroscopy. Post lunch there were series of didactic lectures. We realized that they were keener on the surgical videos and showed them more of them. With this we came to the end of Day 1 training.

Day 2

All the 10 participants were given opportunity to operate and get hands on exposure on Pigs in 2 batches. They were happy to perform the surgeries and were getting accustomed to hand eye coordination. The basics of intra-corporeal suturing also were taught to them by Dr Mala Raj & Dr Vidhya Bhat. Certificates were distributed to all the participants. With this we came to the end of the training session and the participants went home happy.
